Hobbies: Basketball
Describe your hobbies:
Basketball is a fast-paced sport that combines athleticism, strategy, and teamwork. It offers the thrill of competition, the satisfaction of making shots, and the joy of playing with teammates. Whether practicing alone or in a game, basketball keeps me active, sharpens my skills, and brings a sense of camaraderie and excitement.

SUMMARY OF EXPERIENCE
I am a Computer Science student with a GPA of 3.88, experienced in both cloud computing and backend development through training at Bangkit Academy. I previously worked at PT TIPTOP as a Staff of Online Division, where I managed online operations and supported digital platforms. I am eager to apply my skills in a Backend Intern role, contributing to efficient and scalable solutions.
